The Governments of Manitoba, British Columbia, Alberta and Saskatchewan
RESOLVED to:

ELIMINATE barriers that restrict or impair trade, investment or labour mobility;

ENHANCE competitiveness, economic growth and stability;

INCREASE opportunities and choice for workers, investors, consumers and businesses;

REDUCE costs for consumers, businesses and governments;

PROVIDE access to information to facilitate trade, investment and labour mobility;

PROMOTE sustainable and environmentally sound development, and high levels of consumer protection, health and labour standards;

COOPERATE on matters related to trade, investment and labour mobility;

MINIMIZE the impacts of other measures that may adversely affect trade, investment or labour mobility;

RESOLVE disputes in an effective, inexpensive and timely manner;

SUPPORT ongoing trade and investment liberalization both nationally and internationally; and

DEMONSTRATE the benefits of freer trade within Canada by simplifying and expanding upon the scope and coverage of the Canadian Free Trade Agreement;

HEREBY AGREE as follows:
PART II:

A. EXTENT OF OBLIGATIONS

Article 1: Relationship to the Canadian Free Trade Agreement

1. This Agreement is established pursuant to Article 1203 (Trade, Investment, and Labour Mobility Enhancing Arrangements) of the Canadian Free Trade Agreement, which permits the Parties to enter into additional arrangements to liberalize trade, investment and labour mobility beyond the level required by that Agreement.

2. In the event of an inconsistency between any provision in Parts II and V of this Agreement and any provision of the Canadian Free Trade Agreement, the provision that is more conducive to liberalized trade, investment and labour mobility prevails among the Parties. In the event that such a provision of the Canadian Free Trade Agreement is determined to be more conducive to liberalized trade, investment and labour mobility, that provision is hereby incorporated into and made part of this Agreement.

Article 2: Scope and Coverage

1. This Agreement applies to measures of the Parties and their government entities that relate to trade, investment and labour mobility.

2. Each Party is responsible for compliance with this Agreement by its government entities.

3. The benefits of this Agreement accrue only to the Parties and their persons.

B. GENERAL RULES

Article 3: No Obstacles

1. Each Party shall ensure that its measures do not operate to restrict or impair trade between, among or through the territory of the Parties, or investment or labour mobility between or among the Parties.

Article 4: Non-Discrimination

1. Each Party shall accord to:
   
   (a) like, directly competitive or substitutable goods;
(b) persons;

(c) services; and

(d) investors or investments

of the other Parties treatment no less favourable than the best treatment it accords, in like circumstances, to its own or those of any other Party or non-Party.

2. Each Party shall ensure that any charges it applies to persons, goods, services, investments or investors of the other Parties are the same as those charged to its own, in like circumstances, except to the extent that any difference can be justified by an actual cost-of-service differential.

Article 5: Standards and Regulations

1. Parties shall mutually recognize or otherwise reconcile their existing standards and regulations that operate to restrict or impair trade, investment or labour mobility.

2. Parties shall, where appropriate and to the extent practicable, specify standards and regulations in terms of results, performance or competence.

3. Parties shall not establish new standards or regulations that operate to restrict or impair trade, investment or labour mobility.

4. Parties shall continue to work toward the enhancement of sustainable development, consumer and environmental protection, and health, safety and labour standards and the effectiveness of measures relating thereto.

5. Parties shall cooperate to minimize differences in standards or regulations adopted or maintained to achieve legitimate objectives.

Article 6: Legitimate Objectives

1. A Party may adopt or maintain a measure that is inconsistent with Articles 3, 4 or 5, or Part II(C) provided the Party can demonstrate:

   (a) the purpose of the measure is to achieve a legitimate objective;

   (b) the measure is not more restrictive to trade, investment or labour mobility than necessary to achieve that legitimate objective; and

   (c) the measure is not a disguised restriction to trade, investment or labour mobility.

2. Subject to paragraph 1, Parties may establish the level of protection necessary to achieve a legitimate objective.
3. No Party shall prohibit or restrict an investment or the import of any good or service from any other Party or the export of any good or service to any other Party for a legitimate objective unless the prohibition or restriction on investment or the import of the like good or service from all Parties and non-Parties or the export of the like good or services to all Parties and non-Parties is similarly prohibited or restricted.

Article 7: Transparency

1. Each Party shall ensure that its measures covered by this Agreement are made readily accessible.

2. A Party proposing to adopt or amend a measure covered by this Agreement shall, to the extent practicable:
   (a) notify the other Parties of its intention;
   (b) provide a copy of the proposed measure to any other Party upon request; and
   (c) provide the other Parties with an opportunity to comment on the measure, and take such comments into consideration.

3. Each Party shall ensure that documents requested by another Party or interested persons of a Party are supplied in a non-discriminatory manner and that any fees charged therefor are reasonable.

4. Nothing in this Agreement shall be construed to require a Party to provide or allow access to information the disclosure of which would:
   (a) be contrary to its freedom of information or privacy legislation;
   (b) impede law enforcement;
   (c) prejudice the legitimate commercial interests of particular enterprises;
   (d) involve a waiver of privilege; or
   (e) otherwise be contrary to the public interest.

5. This Article applies notwithstanding any other provision of this Agreement.

6. The provision of notice under paragraph 2 is without prejudice as to whether the measure is consistent with this Agreement.

Article 8: Exceptions

1. With the exception of this Article, measures listed in Part V are not subject to Parts II and IV and the Bid Protest Mechanism, except as otherwise provided in Part V.
2. Additional measures may be added to Part V only by agreement of the Parties.

3. A Party may, of its own accord, remove any of its measures listed in Part V.

**Article 9: Transitional Measures**

1. With the exception of this Article, measures listed in Appendix I are not subject to Parts II and IV and the Bid Protest Mechanism, except as otherwise provided therein.

2. Parties shall:

   (a) ensure that no measure listed in Appendix I is amended or renewed in a manner that would decrease its consistency with this Agreement; and

   (b) seek to minimize any adverse effects of measures listed in Appendix I on the other Parties and their persons.

3. A Party may, of its own accord, remove any of its measures listed in Appendix I.

4. Additional measures may be added to Appendix I only by agreement of the Parties.

5. For greater certainty, subject to paragraph 6, nothing in Appendix I affects the rights and obligations of this Agreement as among British Columbia, Alberta and Saskatchewan.

6. No Party or person shall have recourse to Part IV or the Bid Protest Mechanism regarding any measure of British Columbia, Alberta or Saskatchewan falling within the scope of one of the subject matters specified in Appendix I, as that measure applies to Manitoba or a Manitoba person, during the transition period provided to Manitoba for the same subject matter.

**C. SPECIAL PROVISIONS**

**Article 10: Purpose**

1. The special provisions in this Part II(C) augment and further elaborate upon the general rules in Part II(B).

2. Except for Article 6, where a provision in this Part II(C) is inconsistent with a provision in Part II(B), the provision in this Part shall prevail to the extent of the inconsistency.
Article 11: Investment

1. (a) Parties shall reconcile their business registration and reporting requirements so that an enterprise meeting such requirements of one Party shall be deemed to have met those of all other Parties.

   (b) Parties and their municipal governments shall consider options to provide for the reconciliation of municipal business licenses. Until such time as the matter is resolved, subparagraph (a) will not apply to municipal business licenses.

2. No Party shall require an enterprise of another Party to establish or maintain a representative office or enterprise, or to be resident, in its territory as a condition for carrying on business activities.

3. A requirement by a Party that an enterprise has an agent located within its territory for service of notices of proceedings or other judicial documents is deemed not to be a requirement to establish or maintain a local presence or to be resident in its territory. Parties shall further consider options for eliminating measures requiring the designation or maintenance of agents for service.

4. Nothing in this Agreement shall be construed to prevent a Party from maintaining, designating, or regulating a monopoly for the provision of goods or services within its own territory.

Article 12: Business Subsidies

1. Parties shall not directly or indirectly provide business subsidies that:

   (a) provide an advantage to an enterprise that results in material injury to a competing enterprise of another Party;

   (b) entice or assist the relocation of an enterprise from another Party; or

   (c) otherwise distort investment decisions

   unless such subsidy is to offset a subsidy being offered by a non-Party or to an entity not subject to this Article.

2. Parties shall jointly encourage non-Parties to eliminate subsidies to business and refrain from bidding wars.

Article 13: Labour Mobility

1. Any worker certified for an occupation by a regulatory authority of a Party shall be recognized as qualified to practice that occupation by the other Parties.
2. Requirements imposed on workers to obtain a license, certification, or to register with a Party or one of its regulatory authorities prior to commencing work within the territory of that Party shall be deemed to be consistent with paragraph 1 provided that no material additional training, education, experience or examinations are required as part of that registration procedure and registrations are processed on a timely basis.

3. For greater certainty, and without limiting the general application of Part II(B) to such measures, a regulatory authority of a Party may refuse to certify or recognize a worker, or may impose conditions or restrictions on a worker, provided that the refusal or imposition of conditions or restrictions complies with Article 6.

4. Any worker certified to practice a trade under the Red Seal Program shall be recognized as qualified to practice that trade by the Parties.

**Article 14: Procurement**

1. Further to Articles 3 and 4, Parties will provide open and non-discriminatory access to procurements of the following government entities:

   (a) departments, ministries, agencies, boards, councils, committees, commissions and similar agencies of a Party where the procurement value is:

      (i) $10,000 or greater for goods;

      (ii) $75,000 or greater for services; or

      (iii) $100,000 or greater for construction; and

   (b) Crown corporations, government owned commercial enterprises, and other entities that are owned or controlled by a Party through ownership interest where the procurement value is:

      (i) $25,000 or greater for goods;

      (ii) $100,000 or greater for services; or

      (iii) $100,000 or greater for construction; and

   (c) regional, local, district or other forms of municipal government, school boards, publicly-funded academic, health and social service entities, as well as any corporation or entity owned or controlled by one or more of the preceding entities where the procurement value is:

      (i) $75,000 or greater for goods;

      (ii) $75,000 or greater for services; or

      (iii) $200,000 or greater for construction.
2. Articles 3 and 4 do not apply to any procurement under the thresholds specified in paragraph 1.

3. Parties shall ensure that government entities post tender notices for all covered procurement through an electronic tendering system or systems provided by the Party. Additional means of providing notices may be used.

4. (a) The Parties shall be signatory to the Agreement Among The Parties To The New West Partnership Establishing the Bid Protest Mechanism.

(b) The Bid Protest Mechanism shall be available to suppliers of the Parties seeking resolution of complaints relating to specific procurements covered by this Agreement.

(c) Each Party shall provide under its laws that any tariff cost awards, operational cost awards, and bid-preparation cost awards issued by an arbiter under Article 7 of the Bid Protest Mechanism relating to a specific procurement covered by this Agreement shall be enforceable in the same manner as an order issued by that Party’s superior court.

(d) Part IV does not apply to a dispute relating to a specific procurement.

5. (a) A government entity participating in a buying group shall ensure that any procurement undertaken through the buying group is carried out in a manner consistent with the government entity’s obligations under this Agreement.

(b) Notwithstanding paragraph (a) but subject to paragraph (c), this Agreement does not apply to procurements of a government entity undertaken through a buying group that includes a participating non-government entity if the buying group is not controlled or directed by one or more government entities.

(c) If a government entity participates in a buying group as described in paragraph (b) then:

(i) the government entity must ensure that any specific procurement in which the government entity participates is undertaken by that buying group in a manner consistent with the government entity’s obligations under Article 4; and

(ii) the government entity has no obligations under this Agreement relating to any specific procurement of that buying group in which the government entity does not participate.

**Article 15: Energy**

1. Parties shall ensure that their standards-related electricity measures are not incompatible with generally accepted and applicable North American standards or
standards of the Western Interconnection Region, including those relating to energy system security and reliability.

2. Parties shall work toward improving existing arrangements and promote enhanced interjurisdictional trade in energy.

**Article 16: Transportation**

1. Parties shall require all vehicles owned by a person of a Party to be licensed and registered in the Party where the person is ordinarily resident.

2. Each Party shall provide full and free registration reciprocity for temporary inter- and intra-provincial vehicle operations as provided for by the *Canadian Agreement on Vehicle Registration* (CAVR) without exceptions or additional registration fees for those Category B vehicles described in paragraph 1(a)(i) of CAVR. For the purposes of this Agreement, temporary intra-provincial operation as referenced in paragraph 4 of CAVR means operation for a period of up to 90 days in a calendar year. A Party may require carriers operating such vehicles in its territory in excess of 90 days in any calendar year to obtain a prorated license or temporary operating permit.

3. Upon request, a Party shall identify to the requesting Party its carriers having a National Safety Code number for any vehicle with a licensed gross vehicle weight of less than 11,794 kg.

4. Parties shall continue to work toward the enhancement of public safety and preservation of highway infrastructure through measures relating to cargo securement, and vehicle configurations, weights and dimensions.
PART III: ADMINISTRATIVE PROVISIONS

Article 17: Ministerial Committee

1. Each Party shall appoint a Minister to a Ministerial Committee to:
   (a) ensure the implementation of and ongoing adherence to this Agreement;
   (b) review annually the exceptions listed in Part V with a view to reducing their scope;
   (c) oversee consultations and negotiations relating to Appendix I;
   (d) consider reports of any working groups formed under this Agreement;
   (e) subject to Articles 8(3) and 9(3), approve any amendments to the Agreement; and
   (f) consider any other matter that may affect the operation of this Agreement.

Article 18: Ministerial Committee Structure and Procedures

1. The Ministerial Committee shall be composed of cabinet level representatives authorized to act on behalf of their respective governments in matters pertaining to this Agreement.

2. The Ministerial Committee shall be convened upon the request of any Party.

3. The Ministerial Committee may establish its own practices and procedures.

4. All decisions and recommendations of the Ministerial Committee shall be taken by consensus.

Article 19: Administrative Facilities

1. Parties shall appoint and fund an administrator pursuant to the administrator agreement and shall publish the contact details for the administrator on the Agreement’s website.

2. Each Party shall maintain a contact point for the other Parties or interested persons of the other Parties to answer or refer reasonable enquiries and to provide information in a timely manner pertaining to its existing and proposed measures and other matters covered by this Agreement. The Parties shall publish the contact points on the Agreement’s website.
Article 20: Accession and Withdrawal

1. Further to Article 1203 (Trade, Investment and Labour Mobility Enhancing Arrangements) of the Canadian Free Trade Agreement, any Canadian province, territory or the Federal Government may accede to this Agreement upon acceptance of its terms.

2. A Party may withdraw from this Agreement on 12 months written notice to the other Parties.

Article 21: Further Negotiations and Joint Decisions

1. The Parties may enter into negotiations to amend this Agreement.

2. The Parties may establish such working groups as they consider necessary to ensure that the obligations of this Agreement are met.

3. The Parties may, at any time, issue a joint decision declaring their interpretation of this Agreement. All such joint decisions shall be binding on panels and arbiters, and any subsequent decision or award of a panel issued under Part IV or any decision issued under the Bid Protest Mechanism must be consistent with all such prior joint decisions. The Parties shall post all such joint decisions on the Agreement’s website.

Article 22: Further Cooperation

1. Parties shall cooperate to promote their mutual interests nationally and internationally.

2. Parties shall continue to jointly advocate for the removal of any Federal Government measures that operate to restrict, impair or distort trade, investment and labour mobility among the Parties.

Article 23: Entry Into Force

1. This Agreement shall enter into force on July 1, 2010.
PART IV:
DISPUTE RESOLUTION MECHANISM

Article 24: Application

1. Subject to Article 14(4)(d), this Part applies to the avoidance and resolution of disputes between Parties, or between persons and Parties, regarding the interpretation or application of this Agreement.

2. A person of a Party must exhaust all other reasonable means to resolve a matter prior to using the procedures set out in this Part.

3. Further to paragraph 2, where a dispute falls within the jurisdiction of a regulatory body with an established dispute resolution process, that process must be used prior to using the procedures set out in this Part.

4. A person is not required to complete a judicial review application or other court proceeding in order to comply with the requirements of paragraph 2. However, any engagement in such a proceeding related to the same matter will result in suspension of the proceeding under this Part until that other proceeding has been completed.

5. A person may not initiate proceedings under this Part if more than two years have elapsed from the later of:

   (a) the date on which the person first acquired, or should have first acquired, knowledge of the alleged inconsistency; and

   (b) the date on which all the requirements of paragraph 2 have been met.

6. Where a Party or person believes that a measure is inconsistent with this Agreement and any other trade agreement, that Party or person must choose which agreement’s dispute resolution process to use and, once chosen, will have no recourse to the other process regarding that same measure.

Article 25: Consultations

1. A Party may request that another Party engage in consultations to resolve any matter regarding the interpretation or application of this Agreement.

2. Where a person of a Party has met the requirements of Article 24, that person may request that a Party initiate consultations with the responding Party on the person’s behalf, using the form of request set out in Schedule 1.

3. The Party must respond to the person’s request within 21 days of its delivery. Any failure to respond to the request within 21 days shall be deemed to be a rejection of the request.
4. A person may proceed with its own request for consultations if:

(a) the person’s request was rejected under paragraph 3; or

(b) the person’s request was accepted under paragraph 2, but more than 60 days have passed since the delivery of its request under paragraph 2 and the requested Party has failed to request the establishment of a panel under Article 26(2);

and not more than six months have elapsed since the date the person delivered the request under paragraph 2.

5. A request for consultations under paragraph 1 or 4 shall:

(a) be in the form set out in Schedule 2;

(b) provide the factual basis for the matter, including the measure or proposed measure at issue;

(c) list those provisions of this Agreement considered to apply to the matter;

(d) describe in detail the alleged inconsistency and the possible economic effect of the measure;

(e) describe the relief or remedy sought; and

(f) provide an address for service.

Should the matter proceed to a panel under Article 26, the consultation request shall establish the basis of the complaint.

6. A copy of a request for consultations made under this Article shall be simultaneously delivered to the administrator.

7. Any other Party may participate in the consultations upon providing written notice to the administrator within ten days of receiving a copy of the request for consultations.

8. The consulting parties shall exchange all information necessary to enable a full examination of the matter.

9. Consulting parties may include relevant sectoral and trade officials in the consultations and, by agreement, may use mediation or other cooperative means to resolve the matter.

10. Consultations shall be confidential and without prejudice to the rights of the consulting parties in any further proceedings.

11. Consultations shall be completed within 30 days from delivery to the responding Party of the request for consultations.
12. Any failure by a responding Party to engage in consultations does not prejudice the right of a consulting party to request the establishment a panel.

**Article 26: Establishment of a Panel**

1. Each Party will maintain a list of at least five individuals that meet the criteria set out in Schedule 3 to act as panellists. If a Party fails to maintain a list, the other Parties’ lists of panellists shall be exclusively used.

2. If consultations under Article 25 have failed to resolve the matter, any consulting party individually, or two or more consulting parties collectively, may request the establishment of a panel to consider the matter by delivering a request therefor to the administrator.

3. If no request to establish a panel has been made within two years after the date the request for consultations was delivered, the proceeding is automatically terminated.

4. In order for a person to access the panel process established under this Article, the person must acknowledge, in writing, its consent and provide a financial deposit in accordance with Schedule 4. The panel may require the provision of further deposits at its discretion. Failure to provide any such financial deposits shall result in automatic termination of the proceedings.

5. Where a request has been delivered under paragraph 2, within 15 days of delivery of the request the responding Party and the complainant shall each select one panellist. No Party shall select from its own list and no person shall select from its Party’s list. If a disputant fails to select a panellist within 15 days, the administrator shall select a panellist by lot from the applicable lists on that disputant’s behalf.

6. Within ten days of their appointment, the two panellists shall choose, by consensus, a panellist from the list of any Party to chair the proceedings. If the two panellists are unable to agree, they shall choose a chair by lot from the lists of the Parties.

7. As an alternative to the panel selection process under paragraphs 5 and 6, the disputants may, by agreement and within 15 days of the commencement of the selection process under paragraph 5, choose a single panellist to consider the matter. For greater certainty, the selected panellist need not be chosen from the lists established under paragraph 1.

8. All panellists selected must be independent and impartial in the matter under dispute and otherwise comply with the code of conduct. Any alleged violations of the code of conduct shall be dealt with in accordance with the procedures provided in the code of conduct.

9. If for any reason a panellist is removed or is unable to further participate in a proceeding, a replacement panellist shall be appointed using the same process that was used to appoint the original panellist.
Article 27: Panel Proceedings

1. Following delivery of the panel request under Article 26(2), any non-disputant Party may, by delivering a written notice to the administrator, participate in the proceeding as an intervenor and attend all hearings, make written and oral submissions to the panel and receive the written submissions of the disputants. Any such notice must be delivered within 15 days of the date of delivery of the panel request under Article 26(2), failing which the non-disputant Party shall not participate further in the proceeding.

2. If at any time prior to the hearing, one or more additional requests under Article 26(2) are received by the administrator relating to the same measure, the proceedings shall thereafter be consolidated into one proceeding. In the event of a consolidation of proceedings, the panel may adjust the remaining time periods accordingly.

3. A non-disputant person who wishes to make submissions in a proceeding may deliver a written request to do so to the administrator within 15 days of delivery of the panel request to the administrator under Article 26(2). Participation in a proceeding by a non-disputant person is at the discretion of the panel, and in all cases shall be limited to written submissions. Government entities may not submit requests to participate under this paragraph.

4. Within seven days of the panel being established under Article 26(6) or 26(7), the complainant, if a person, will deliver to the administrator a copy of the notice, if any, issued under Article 25(3).

5. Subject to the requirements of this Part, the panel shall convene a pre-hearing conference to consult with the participants on the manner in which it intends to proceed and, through the administrator, shall notify the participants.

6. Without prejudice to a panel’s authority to address other objections as preliminary questions, a panel shall address and decide as a preliminary question any objection relating to its jurisdiction or any objection by the responding Party that the matter under dispute is not within the scope of the Agreement.

7. The complainant shall deliver a written submission to the administrator within 15 days after the panel has been established under Article 26(6) or 26(7). If the complainant fails to deliver its submission in accordance with this paragraph, the dispute shall be automatically terminated.

8. The written submissions of the other participants and non-disputant persons shall be delivered to the administrator within 30 days of the delivery of the complainant’s submission by the administrator. If any other participant or non-disputant person fails to deliver its submission in accordance with this paragraph, the proceeding shall continue and that participant or non-disputant person is thereafter barred from any further participation in the proceeding unless authorized by the panel.
9. Subject to Article 7(4) and any concerns relating to confidential information, panel hearings shall be open to the public, and the panel shall determine, in consultation with the participants, the appropriate logistical arrangements therefor.

10. The oral hearing of the matter shall take place no sooner than 21 days following the delivery deadline provided under paragraph 8 and shall take place at a location within the territory of the responding Party, as determined by the panel.

11. No later than 15 days prior to the oral hearing each disputant shall communicate to the administrator the names and roles of the persons in their delegation who will attend the hearing.

12. In establishing time allocations for the oral hearing, the panel shall ensure the participants are each provided with sufficient opportunity to adequately present their case.

13. No further evidence shall be introduced at the oral hearing without the panel's consent. Where a panel grants such consent, the panel shall permit other participants adequate opportunity to consider and respond to such new evidence.

14. On agreement of the disputants, the panel process may be suspended or terminated at any time prior to the issuance of the panel's final report. Where proceedings have been suspended by such agreement, any disputant may subsequently apply to have the panel end the suspension and determine the manner in which the panel intends to proceed. The disputants shall deliver written notice of any such agreement or subsequent application to end the suspension to the administrator.

15. The panel shall, within 45 days of the oral hearing, issue a report to the participants that contains:

   (a) findings of fact;

   (b) rulings on any applicable interpretations and whether the measure at issue is or would be inconsistent with this Agreement;

   (c) any findings as to the possible economic effect of the measure;

   (d) recommendations, if any, to resolve the dispute;

   (e) specification of a reasonable period of time for implementation of the panel's recommendations, which shall be no longer than one year from the issuance of the report; and

   (f) determination as to the amount and apportionment of costs as provided for under Article 32.

16. Within ten days of the delivery of the panel report to the participants, any disputant may request in writing to the administrator that the panel clarify or reconsider any part
of the panel report. If no such request is received by the administrator within that ten
day period, the panel's report will be considered to be final.

17. Within five days of delivery of a request to the administrator under paragraph 16, the
other participants may provide a response thereto to the administrator. The panel
shall, within 15 days of delivery of the initial request to the administrator, provide the
requested clarification or rule on the requested reconsideration. Thereafter, the
panel’s report, including any clarification or reconsideration thereof issued by the
panel, will be considered to be final.

18. Subject to Article 31, the final panel report is binding on the disputants. Subject to
Article 7(4) and any concerns relating to confidential information, the final report shall
be made public.

**Article 28: Implementation of Final Report**

1. The disputants shall, within 30 days of delivery of the final panel report, agree on the
resolution of the dispute. Absent any other agreement between the disputants,
resolution of the dispute will require compliance with the determinations and
recommendations of the panel.

**Article 29: Non-Implementation**

1. If a complainant believes the final panel report or the agreement reached between the
disputants under Article 28 has not been complied with, the complainant may request
that a panel be convened to determine whether there has been compliance. Such
request shall be made in writing to the administrator.

2. The panel established to determine if there has been compliance shall be composed
of the original panellists unless otherwise agreed to by the disputants. Any original
panellist unwilling or unable to participate, shall be replaced using the panel selection
process established under Article 26.

3. The panel shall convene within 30 days after the date of delivery of the request to the
administrator under paragraph 1. The panel shall determine the manner in which it
intends to proceed and, through the administrator, shall so notify the disputants.

4. Any participant shall be permitted to make oral and written submissions to the panel
regarding compliance with the final panel report.

5. Subject to Article 7(4) and any concerns relating to confidential information, the panel
hearing shall be open to the public and the panel shall determine, in consultation with
the disputants, the appropriate logistical arrangements therefor.
6. The panel shall, within 30 days of being convened, determine whether the final panel report or the agreement reached between the disputants has been complied with and issue a compliance report.

7. If the panel determines that there has not been compliance, it shall:
   
   (a) if all disputants are Parties, issue a monetary award determined in accordance with Article 30 or authorize retaliatory measures of equivalent economic effect, or both; or
   
   (b) if any complainant is a person, issue a monetary award determined in accordance with Article 30.

8. Subject to any judicial review initiated under Article 31, any remedy determined under paragraph 7 shall be effective at a time of the panel's discretion.

9. Subject to Article 31, the compliance report is binding on the disputants and, subject to Article 7(4) and any concerns relating to confidential information, shall be made public.

**Article 30: Determination of Monetary Awards**

1. In determining the amount and allocation among individual complainants of any monetary award under Article 29(7), the panel shall take into account:
   
   (a) the efforts made by the responding Party to conform with the recommendations of the panel in the final panel report or the agreement between the disputants under Article 28;
   
   (b) the nature and extent to which the measure has caused economic injury to the complainant and the extent to which that injury would continue should the responding Party continue to be non-compliant; and
   
   (c) any other factor the panel considers relevant in the circumstances.

2. In no circumstances shall a monetary award exceed $5 million with respect to any one matter under consideration.

**Article 31: Judicial Review**

1. A disputant may request judicial review of a final panel report within 15 days of it being considered final pursuant to Article 27(17), or of a compliance report within 15 days of it being issued pursuant to Article 29(6) under:
   
   (a) section 30 of the *Arbitration Act* (RSBC 1996 c. 55) if the responding Party is British Columbia;
(b) subsection 45(1)(c) and (f) through (i), and subsection 45(8) of the Arbitration Act (RSA 2000, c. A-43) if the responding Party is Alberta;

(c) clauses 46(1)(c) and (f) through (i) and subsection 46(8) of The Arbitration Act, 1992 (SS 1992, c. A-24.1) if the responding Party is Saskatchewan; and

(d) clauses 45(1)(c) and (f) through (i) of The Arbitration Act (C.C.S.M. c. A120) if the responding Party is Manitoba;

and solely for the purpose of this Article, the Parties agree that this Part constitutes an “arbitration agreement” and any final report and compliance report constitutes an “award” as those terms are defined in the applicable statute.

2. In the event that a disputant files a request for judicial review of a final panel report or compliance report with the applicable court, that disputant shall concurrently notify the administrator in writing of the request.

3. Upon receiving notification of a request for judicial review under paragraph 2:

(a) the administrator shall suspend the application of Article 32(3);

(b) the time for payment of any award of costs as set out in a final panel report shall be suspended; and

(c) the time for payment of any monetary award or the authorization of retaliatory measures as set out in a compliance report shall be suspended;

until the matter has been finally disposed of by the court or a subsequent panel, as the case may be.

4. After the matter has been finally disposed of, the administrator shall apply Article 32(3) to the financial deposits in accordance with the result of the judicial review application or any subsequent final panel report, as the case may be.

Article 32: Costs and Remuneration

1. The costs of a proceeding shall in principle be borne by the unsuccessful participant(s). However, the panel may apportion costs at its discretion if it determines that some other apportionment is reasonable taking into account the circumstances of the case. In no case shall intervenors be collectively responsible for more than one-third of the costs.

2. For greater certainty, if the panel proceedings are terminated prior to the issuance of the final panel report, the panel retains the power to apportion any costs incurred up to such termination.
3. After the final panel report has been issued, the administrator shall render an accounting to the disputants of the financial deposits received and shall return any unexpended balance to the complaining person.

4. Each Party shall provide under its laws that any monetary award issued under Article 29(7), or any award of costs under this Article, shall be enforceable in the same manner as an order issued by that Party's superior court.

5. Schedule 5 sets out the maximum amounts of remuneration and expenses that are to be paid to the administrator and panellists, as well as other costs that may be awarded by the panel. No other costs may be assessed by a panel against the participants.

Article 33: Abridgement or Extension of Time Periods

1. Consulting parties or disputants may, by agreement, abridge or extend any time period specified in this Part.

2. The panel may extend the time limits established in this Part if it is fair and equitable to do so and after having afforded the participants the opportunity to provide comments.

Article 34: Other Provisions

1. Parties may only be represented by the officials of the Ministers responsible for the Agreement and their designates.

2. The administrator, the panel and all participants shall take all necessary steps to protect any information identified by a participant as being confidential.

3. Except as otherwise provided, in the course of a proceeding under this Part, when a document is delivered to the administrator, the administrator will immediately thereafter deliver a copy of the document to the panel, all Parties and the participants.

4. Where, in any proceeding, a question of procedure arises to which this Part does not provide an answer, or the answer provided is incomplete, the question shall be disposed of by the panel in such a matter as the panel decides is reasonable in the circumstances and consistent with the principles of fairness.

SCHEDULE 3

CRITERIA FOR THE APPOINTMENT OF POTENTIAL PANELLISTS

ARTICLE 26(1)

Criteria for Appointments

1. The Parties shall ensure that each of the individuals that they respectively appoint to their lists of potential panellists, as required under Article 26(1):

   a) has been selected for appointment on the basis of objectivity, reliability and sound judgment; and

   b) is independent of, and is not affiliated with or taking instructions from, any Party or any government entity of a Party.

2. In addition to the general requirements of paragraph 1, the Parties shall ensure that each of the individuals that they appoint to their lists of potential panellists, as required under Article 26(1), has expertise or significant experience as counsel or as a decision-maker in administrative law or dispute settlement.

Prior Consultation on Appointments

3. With the object of ensuring panellists of the highest possible quality in the circumstances, each Party will provide the other Parties with a reasonable opportunity to review and comment on any proposed appointment under Article 26(1) before such appointment is finalized.
SCHEDULE 4
FORM OF CONSENT TO ARBITRATION

ARTICLE 26(4)

NEW WEST PARTNERSHIP TRADE AGREEMENT

Consent to Arbitrate by a Person

1. In this consent:

“administrator” means the administrator appointed pursuant to Article 19 of the Agreement;

“Agreement” means the New West Partnership Trade Agreement including any amendments, related documents, and any joint decisions issued by the Parties under Article 21, as the case may be;

“complainant” means the person wishing to access the panel process of the dispute settlement procedure provided for under Part IV and providing this consent;

“consent” means this Consent to Arbitrate by a Person required under Article 26(4) from any person wishing to access the panel process of the dispute settlement procedure provided for under Part IV;

“disputants” means the complainant and responding party and “disputant” means either one of them, as the case may be; and

“Parties” means the Parties to the Agreement and “Party” means any one of them, as the case may be;

2. This consent is being provided by [name], of [address for service].

3. The complainant hereby acknowledges that under Article 26(4), any person wishing to access the panel process of the dispute settlement procedure provided for under Part IV of the Agreement must first acknowledge in writing its consent to the process. This consent is in fulfillment of that requirement.

4. The complainant has a dispute with [Alberta, British Columbia, Manitoba or Saskatchewan] arising under the Agreement relating to [brief description of the matter or measure under dispute]. The complainant specifically consents to submitting this dispute for settlement by a panel under Part IV of the Agreement, and agrees to do so wholly in accordance with this consent and the procedures specified in the Agreement.

5. In doing so, the complainant acknowledges and agrees that those procedures provide as follows:
(a) Use of the Agreement’s panel process precludes any subsequent recourse by the complainant to the dispute settlement procedures of the Canadian Free Trade Agreement or any other trade agreement in respect of the same measure (see Article 24(6)) should such procedures also be available to the complainant in the circumstances;

(b) Proceedings under Part IV of the Agreement are governed by the Agreement. These procedures differ in many ways from those normally used by domestic courts.

(c) Subject to limited protections for certain types of information in Article 7(4), the Agreement generally provides for an open and public process. Panel proceedings will be held in public and resulting panel reports will be publicly released (see Articles 27(9), 27(18), 29(5) and 29(9)). A panel may make an order it considers appropriate respecting the confidentiality of any part of a panel process or of any information, records or documents submitted during the panel process. In addition, any information and documentation provided to a Party as part of the panel process will thereafter become subject to that Party’s freedom of information legislation which may require that Party to disclose such information and any records or documents that have been created by that Party based on such information or documentation, to third parties making appropriate requests under such legislation;

(d) Subject to a limited right of judicial review, panel decisions are final and cannot be appealed (see Articles 27(18) and 29(9));

(e) While panels have the ability to issue monetary awards in some circumstances, such awards are not intended to constitute damage awards and can only be issued where a Party has failed to comply with a final panel report (see Articles 29(7) and 30). As the Parties generally expect to comply with final panel reports, the issuance of a monetary award in favour of the complainant is unlikely to occur;

(f) The disputants are solely responsible for all of the costs associated with a dispute settlement proceeding under Part IV of the Agreement. Such costs will include the fees of the panel, costs incurred by the administrator and costs associated with legal representation. Such costs can be significant. In particular, see Schedule 5 of the Agreement which establishes the fees payable to panellists and certain other costs. A panel has the discretion to apportion all such costs between the disputants as it considers appropriate (see Article 32(1)). Moreover, Article 32(1) provides that costs shall in principle be borne by the unsuccessful disputant. This means that the panel may allocate all or a greater proportion of costs to one or the other of the disputants in many circumstances. Once a cost award is issued by a panel, it becomes enforceable against the named disputant as if it were a superior court order (see Article 32(4));

(g) A person wishing to establish a panel must provide a financial deposit in the sum
of $5,000 with the administrator (see Article 26(4)). A panel may order the provision of additional financial deposits at its discretion to cover estimated costs of the panel proceeding and can terminate the panel proceeding if the complainant fails to comply with any such deposit order.

(h) Once the panel process commences, the complaint may only be withdrawn by mutual consent of the disputants (see Article 27(14)). Even if a complaint is withdrawn the complainant may, at the panel’s discretion, still be responsible for some or all of the costs of the panel proceeding incurred up to that date; and

(i) The Parties may, at any time, issue a joint decision declaring an agreed interpretation of the Agreement. All such joint decisions are binding on panels and any panel decision or award must be consistent with all preceding joint decisions (see Article 21(3)). Any joint decision issued by the Parties at any time prior to the final panel report could therefore affect the outcome of the panel proceeding.

6. The complainant hereby consents to settlement of its complaint pursuant to the panel process specified in Part IV of the Agreement and on the bases outlined above.

New West Partnership Trade Agreement

Introduction

2. In particular, when assessing the amount of the costs of any proceeding under Part IV for purposes of Article 32, panels must calculate all such costs on a basis consistent with the this schedule. No other costs may be assessed against the participants.

Panellist Remuneration
3. Individuals sitting as panellists are entitled to charge up to a maximum of $125 per hour, to a maximum of $1000 per day, for all work, not including travel time, required to be undertaken by them while carrying out their duties as panellists, commencing as of the time they are officially appointed to a dispute settlement panel constituted under Part IV.

4. Individuals sitting as panellists are entitled to charge up to a maximum of $62.50 per hour, to a maximum of $500 per day, for any travel that is required to be undertaken by them as part of their duties as panellists, commencing as of the time they are officially appointed to a dispute settlement panel constituted under Part IV.

5. The maximum allowable amount for arbiter remuneration under sections 3 and 4 of this schedule shall be increased annually on January 1 by that percentage by which the Consumer Price Index (All items) (published by Statistics Canada) has increased between January 1 and December 31 of the previous calendar year. If there has been no increase or if there has been a decrease in that period, the maximum allowable amount for arbiter remuneration will remain the same for the following calendar year. The administrator shall calculate and publish on the designated website the maximum allowable amounts for arbiter remuneration annually.

Each disputant will be responsible in the first instance for all travel and other expenses of witnesses, if any, that the disputant chooses to utilize as part of the presentation of its case to the panel. Such witness expenses incurred by the successful disputant will subsequently be deemed to be part of the costs for legal representation and assistance to be accounted for by the panel under section 8 of this schedule.

**Costs of Legal Representation**

8. The panel shall include in its determination of costs the costs of legal representation and assistance incurred by the successful disputant, including the travel and other expenses of witnesses utilized by that disputant, provided that all such costs were claimed by that disputant during the proceedings and only to the extent the panel determines those costs are reasonable in the circumstances.

**Administrator-Related Expenses**

9. All administrator-related expenses that may be awarded against the participants are governed by agreements the Parties have entered into with the administrator. The administrator will provide an accounting of all such costs relating to a particular proceeding to the panel. Upon receiving that accounting and being satisfied that the costs are appropriately chargeable to the participants under the applicable agreement and are reasonable in the circumstances, the panel shall include such administrator-related costs in its assessment and allocation of costs against the participants.

4. A member will not use his or her position to advance any personal or private interests. A member will avoid actions that may create the impression that others are in a special position to influence the member. A member will make every effort to prevent or discourage others from representing themselves as being in such a position.

5. A member will not allow past or existing financial, business, professional, family or social relationships or responsibilities to influence his or her conduct or judgment.

6. A member will avoid entering into any relationship, or acquiring any financial interest, that is likely to affect the member's impartiality or that might reasonably create an apprehension of bias or an appearance of impropriety.

Unless otherwise requested by the advising disputant, the administrator must treat the communication in confidence and shall not disclose to the panel the content of the communication or its source. Within seven days of receiving notice of the alleged violation from a disputant, the Parties will conduct an investigation if they consider it necessary and will, by consensus, determine what action to take, if any, considering all of the circumstances, up to and including dismissal of the applicable member.

2. If a member is dismissed or voluntarily withdraws as a result of any investigation under this Part X, a replacement member will be appointed in accordance with the applicable appointment procedures provided for in the Agreement.
